Digital portfolio

STUDENT NAME: Gopika.D

REGISTER NO: 24H333

NMID:asunm1301212402478

DEPARTMENT: BCA

COLLEGE/UNIVERSITY: Am jain college

AGENDA

Problem Statement

Many students lack a simple, professional way to showcase their skills, projects, and certificates in one place.

Project Overview

This project is a personal portfolio website built with HTML, CSS. It provides details about education, skills, certificates, and contact information.

End Users

- Recruiters
- Hiring Managers
- College Faculty
- Peers & Tech Community

Tools & Technologies

- HTML
- CSS
- JavaScript (optional future expansion)
- Email form (mailto)
- Hosting platforms like GitHub Pages/Netlify
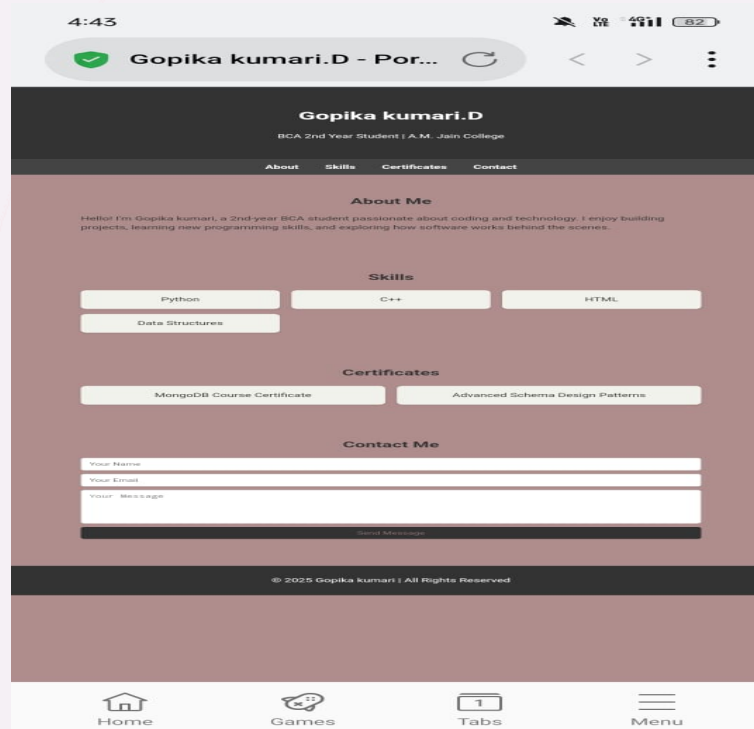

Portfolio Design & Layouts

- Clean and modern UI
- Navigation bar with smooth access
- Sections: About, Skills, Certificates, Contact
- Responsive grid layout for skills and certificates

Features & Functionality

- Personal information section
- Skills and certificates showcase
- Contact form (mail integration)
- Responsive design

Results & Screenshots

The portfolio successfully demonstrates skills, certificates, and personal branding.
(Screenshots of webpage can be inserted here.)

Conclusion

This portfolio helps in personal branding and career opportunities. It acts as a digital resume and showcase of skills.
